Awards and Recent Results

Regeneron ISEF finalists compete for nearly \$5 million in awards, prizes, and scholarships.

Each year more than 1,800 ninth through twelfth graders earn the right to compete at Regeneron ISEF by winning a top prize at a Society-affiliated local, regional, state, or national science fair.

While no awards were given at the 2020 Virtual Regeneron ISEF, finalists had the opportunity to present their abstracts. View the 2020 Virtual Regeneron ISEF Finalist Directory [here](#).
